

WSB Member Code of Conduct

Dancers are expected to act in a respectful and socially acceptable manner while attending Westside School of Ballet (WSB) classes and to be mindful of others' physical and personal space.

One may not engage in behaviors or conduct that WSB, in its discretion, considers unruly or inappropriate, including without limitation: Harassing, badgering, antagonizing, taunting, threatening, abusing, touching, otherwise acting in an aggressive, indecent or inappropriate manner towards any other dancer, guest, employee, or other individual. Dancers may not engage in any of the aforementioned behaviors or conduct that create a hostile environment or intimidate other dancers from participating and learning during class(es).

WSB reserves the right to remove a member/participant from a studio and/or revoke, cancel, suspend or otherwise limit one's membership, and/or notify law enforcement authorities if one engages in any contact or behavior that WSB considers inappropriate, indecent, unsafe, unlawful or otherwise in violation of WSB policies.

No cell phone and/or camera use in restrooms/dressing rooms or studios. Using cell phones, cameras, or any other recording devices in WSB locker rooms is strictly prohibited.

As a courtesy to other dancers, you may not speak on your cell phone while in a dance studio.

Dancers are required to wear ballet or athletic ware. Graphic t-shirts are prohibited (WSB apparel okay). Corporate logos are allowed (e.g. Nike, Adidas, Lulu Lemon, etc.).

Firearms and other weapons are strictly prohibited from being brought into school facilities, even if you have a permit to carry a concealed weapon.

WSB holds its personnel to the highest standards of professionalism and expects the same in return from members/students. If one makes any inappropriate or sexually suggestive remarks, their class(es) will be terminated immediately and WSB, in its discretion, will terminate their membership and/or classes and/or take other action that it deems appropriate.

Thank you.
